RAPID ENGAGEMENT HOUSING AND SUPPORTIVE SERVICES FOR SUPERVISED INDEPENDENT LIVING PLACEMENT (SILP) PARTICIPANTS

This is to notify staff of the new Rapid Engagement Housing and Supportive Services for Supervised Independent Living Placement (SILP) participants program. The Los Angeles County Department of Justice Care and Opportunities proposed funding to assist SILP participants with housing navigation and supportive services. The term of the Rapid Engagement Housing program is for three-years.

Effective July 1, 2026, non-minor dependents living in a SILP, who are between the ages 18 to 21, are eligible to receive optional housing navigation and supportive services through funding provided by the Rapid Engagement Housing program. The program was developed to assist youth participants with locating housing as well as receive employment resouces, educational guidance, and other community supportvie services while in a SILP.

The above services are availabe and will be provided through the DCFS approved contract provider, "A Healthier Community for Our Children and Families." Children's Social Workers (CSWs) are encouraged to engage SILP participants in the program.

To refer SILP participants and initiate the service request, CSWs are required to submit, by e-mail, the referral form directly to the contract provider at: https://mylakids.dcfs.lacounty.gov/silp-rapid-engagement-referral-form/. The contract provider may then follow-up directly with the CSW and/or the SILP participant on the requested services.

If you have any questions regarding Rapid Engagement Housing and Supportive Services for SILP participants please contact:
